CONSTRUCTION

Sew all rights sides together with ¼” seam allowance.

You will end up with a striped block of 32½ x WOF
• Take the mushroom template, place it on top of the 22½ x 22½ square from fabric L and using a fabric pen trace it.

• Position fabric L on point and place it on top of the striped block and batting
• Pin all corners and sew following the traced line. Then sew it again ¼" away from the first traced line.
• Start quilting inside the mushroom making wave lines in a diagonal way. (See Diagram below for reference)

• Once you finish quilting, with a scissors start cutting in between the sewing lines to reveal the block behind.

• Trim excess fabric

• Take template M1 and M2 from fabric A, and with Steam A seam apply it in the left side of the front of the pillow cover. Repeat the same step with template M3 and M4. See Diagram below for reference.
CREATING THE BACK PILLOW

Sew all rights sides together with ¼" seam allowance. Press open.

• To make a envelope back for your pillow take both 22" x 17" rectangles and fold one 17" side on each rectangle in 1/2" and press and then fold another 1/2" and press.

• Top stitch as close to the edge as possible.

• Place rectangles right side together on top of each other to the front of your pillow and stitch all the way around your pillow at ¼" seam allowance.

• Clip corners at seam allowance and flip piece to the right side of the fabric.

• Fill pillow with a 22" x 22" pillow form and enjoy!
