CONSTRUCTION

Sew all rights sides together with ¼” seam allowance.

• Start constructing the HST needed for this quilt.
• Take all the 2 ⅞” squares from fabrics A, B, D, E, G, H and I.
• Make seventy two HST triangles from each of the following combinations AI, GI, DG, BH and BG.

• Now construct set 1.
• Begin by taking two DG HST, two Gl HST and two Al HST.

• Sew them in pairs to create three flying geese.
• Attach them together.
• Repeat to complete a total of thirty six.
• You will be using four set 1 in each block later on, for now, set them aside.
• Now construct set 2.

• Begin by taking two BH HST, two BG HST, two 2½” squares from fabrics B & E and one 2½” square from fabric F.

• Create three rows, each row with three squares in it.
  - Row 1: F-BH-E Row 2: BH-B-BG Row 3: E-BG-B.

• Attach them together.
• Repeat to complete a total of Thirty six.
• You will be using four set 2 in each block later on, for now, set them aside.

• Now it is time to construct the quilt block, you are going to make a total of nine blocks in order to complete this quilt.
• For each block you’ll need four set 1, two Set 2, two set 3 and one Fussy cut 4½” square from fabric C.

• Create three rows, each row with three Sets in it.
  - Row 1: set 2 set 1 set 2
  - Row 2: set 1 C set 1
  - Row 3: set 2 set 1 set 2

• Attach them together.
• Repeat to complete a total of Nine.
ASSEMBLING THE TOP

Sew all right sides together with a ¼" seam allowance.

- Create three rows, each row with three Blocks in it.
- Refer to diagram below or cover picture.

BINDING

Sew rights sides together.

- Cut enough strips 1½" wide by the width of the fabric D to make a final strip 210" long. Start sewing the binding strip in the middle of one of the sides of the quilt, placing the strip right side down and leaving an approximated 5" tail. Sew with ¼" seam allowance (using straight stitch), aligning the strip’s raw edge with the quilt top’s raw edge.

- Stop stitching ¼" before the edge of the quilt (DIAGRAM B1). Clip the threads. Remove the quilt from under the machine presser foot. Fold the strip in a motion of 45˚ and upward, pressing with your fingers (DIAGRAM B2). Hold this fold with your finger, bring the strip down in line with the next edge, making a horizontal fold that aligns with the top edge of the quilt (DIAGRAM B3). Start sewing at ¼" of the border, stitching all the layers. Do the same in the four corners of the quilt.

- Stop stitching before you reach the last 5 or 6 inches. Cut the threads and remove the quilt from under the machine presser foot. Lay the loose ends of the binding flat along the quilt edge, folding the ends back on themselves where they meet. Press them together to form a crease. Using this crease as the stitching line, sew the two open ends of the binding with right sides together (you can help yourself marking with a pencil if the crease is difficult to see).

- Trim seam to ¼" and press open. Complete the sewing. Turn binding to back of the quilt, turn raw edge inside and stitch by hand using blind stitch.
