For this project we will be using Appliqué Technique.

Take the one (1) 11½” x 13½” Rectangles from fabric H place batting under and start positioning templates with designated fabrics on the bottom right corner, in the order shown on Diagram 1. Use Steam A Seam to attach the templates. Following the curve shape stitch each template to fabric H...
Repeat the same step for the other pillow, with the other 11½" x 13½" Rectangles from fabric H but positioning the templates on the bottom right corner. Starting from the bottom with template 7LZ

This is how the left pillow will look
