**DIAGRAM 3**

- Take the five (5) blocks and one (1) 27½” x 27½” square from fabric A.

**Quilt:**

- Place each block and square on top of batting with right side facing up. Smooth away wrinkles using your hands.
- Pin both layers together and baste with basting thread, using long stitches. You can also use safety pins to join the layers.
- Machine or hand quilt starting at the center and working towards the corners. Remember that quilting motifs are a matter of personal preference. Have fun choosing yours!
- After you finished, trim excess of batting.

**Join:**

- Join the quilted squares making sure the seams of the blocks are going in different direction.
- For fabric placement and attachment follow Diagram 4.

**Fill:**

- After joining all the sides, leave a 5” hole to fill your bean bag with the bean bag refill.
- Hand stitch the 5” hole and enjoy!
