CONSTRUCTION

Sew all rights sides together with ¼" seam allowance.

This quilt is composed of the same block repeated twelve times.

In order to start the construction of this block take one 3" square from fabric J, one 8" x 3" strip from fabric I, two 10 ½ x 3" strips from fabric H, One 8 x 3" Strip from fabric D and One 8 x 3" Strip from fabric C

Sew the 3" square from fabric J to the shortest edge of 8 x 3" strip from fabric I(See Diagram 1)
Attach piece JI in-between the two 10 ½ x 3” strip from fabric H.

Then attach on the top short edge the 8” x 3” strip from fabric D and on top attach 8” x 3” strip from fabric C. Set aside.

Then sew another set of pieces that will go on the sides of the previous sewn set.

Take one 3” x 8” strip from fabric E, One 3” x 3” square from fabric D, One 5½” x 3” strip and one 3” square from fabric C, One 10½” x 3” strip from fabric F, One 10½” x 3” strip from fabric G and one 8” x3” from fabric B

Sew the 3” square from fabric D to the shortest edge of 3” x 8” strip from fabric C.

Attach the 3” x 10 ½” strip from fabric F to the left edge of piece ED.

Attach the 5½” x 3” strip from fabric C to the bottom edge of piece EDF.
Sew the 3" square from fabric C to the shortest edge of 3" x 10½" strip from fabric G.

Attach the CG piece to the EDFC set.

Attach the 8” x 3” strip from fabric B to the bottom edge of piece EDFCCG.

Then sew the same set of pieces but reflecting the previous piece as shown in the diagram below.

Take the three sets of patchwork and attach them together in the following order. Set aside.

Take one 3” x 3” strip from fabric I and two 10½” x 3” strips from fabric A. You will end with a 22½” strip.
Attach the **AIA** strip to the bottom of the piece you started with. Set aside.

[Diagram 13]

Take one 18" X 3" strip from fabric **C**, two (2) 3" squares from fabric **E**

Sew one 3" square from fabric **E** with the 18" x 3" strip from fabric **C** and a 3" square from fabric **E**.

[Diagram 14]

Attach **ECE** it to the block top and set aside.

[Diagram 15]

The last step to complete the block will be to

**QUILT ASSEMBLY**

*Sew rights sides together.*

- Place BACKING FABRIC on a large surface wrong side up. Stretch it with masking tape against that surface.
- Place BATTING on top of backing fabric.
- Place TOP on top of the batting with right side facing up. Smooth away wrinkles using your hands.
- Pin all layers together and baste with basting thread, using long stitches. You can also use safety pins to join the layers.
- Machine or hand quilt starting at the center and working towards the corners. Remember that quilting motifs are a matter of personal preference. Have fun choosing yours!
- After you finished, trim excess of any fabric or batting, squaring the quilt to proceed to bind it.

**BINDING**

*Sew rights sides together.*

- Cut enough strips 1 1/2" wide by the width of the fabric to make a final strip 32 1/2" long. Start sewing the binding strip in the middle of one of the sides of the quilt, placing the strip right side down and leaving an approximated 5" tail. Sew with 1/4" seam allowance (using straight stitch), aligning the strip's raw edge with the quilt top's raw edge.
- Stop stitching 1/4" before the edge of the quilt. Clip the threads. Remove the quilt from under the machine presser foot. Fold the strip in a motion of 45° and upward, pressing with your finger, bring the strip down in line with the next edge, making a horizontal fold that aligns with the top edge of the quilt. Start sewing at 1/4" of the border, stitching all the layers. Do the same in the four corners of the quilt.
- Stop stitching before you reach the last 5 or 6 inches. Cut the threads and remove the quilt from under the machine presser foot. Lay the loose ends of the binding flat along the quilt edge, folding the ends back on themselves where they meet. Press them together to form a crease. Using this crease as the stitching line, sew the two open ends of the binding with right sides together (you can help yourself marking with a pencil if the crease is difficult to see).
- Trim seam to 1/4" and press open. Complete the sewing. Turn binding to back of the quilt, turn raw edge inside and stitch by hand using blind stitch.
NOTE: While all possible care has been taken to ensure the accuracy of this pattern, we are not responsible for printing errors or the way in which individual work varies. Please read instructions carefully before starting the construction of this quilt. If desired, wash and iron your fabrics before starting to cut.
