Additional Materials:
Steam A seam double sided fusible tape

Cutting Directions

¼" seam allowances are included.
WOF means width of fabric.

Fabric A:
- Eight (8) 2½ x 2½ Squares
- Four (4) 2½ x 2 Rectangles
- Four (4) 2½ x 2½ Squares
- Two (2) 4½ x 2½ Rectangles

Fabric B:
- Twelve (12) 2½ x 2½ Squares
- Four (4) 2½ x 2½ Squares
- Two (2) 4½ x 2½ Rectangles
- Two (2) 2½ x 1½ Rectangles

Fabric C
- One (1) 4½ x 4½ Squares

Fabric D
- Eight (8) 1 x 1 Squares

Construction

Sew all rights sides together with ¼" seam allowance.

For these project we will be using two different methods, the Half Square Triangle method and the Flying Geese method.

Half Square Triangle (HST)
- To accomplish the HST construction take the 2½" squares from fabrics A and B. Using a water-soluble marker, mark a diagonal line across the wrong side of all squares.

[Diagram of Half Square Triangle (HST)]

[Diagram of Flying Geese Method]
**Flying Geese Construction:**

- Place a 2½ Square from fabric B to the right edge of Fabric A mark a diagonal line and sew through the line.

Trim ¼ inch away from Seam.

Place another 2½ Square from fabric B and place it to the left edge mark a diagonal line through the line and trim ¼ inch away from the seam.

**Center Block Construction:**

Take one (1) 2½ squares from fabric B place it on the top left corner of fabric C.

Repeat the same step in three corners.

Sew rows together

Take four (4) 1" squares from fabric D cut them diagonally, and with steam a seam place two triangles on each corner of the block (See Diagram below for reference)
NOTE: While all possible care has been taken to ensure the accuracy of this pattern, we are not responsible for printing errors or the way in which individual work varies. Please read instructions carefully before starting the construction of this quilt. If desired, wash and iron your fabrics before starting to cut.
