ADDITIONAL MATERIAL

- 18” zipper
- Steam-a-seam double side fusible tape

CUTTING DIRECTIONS

¼” seam allowances are included. WOF means width of fabric.

- One (1) of Template 1 from Fabric A
- One (1) of Template 2 from Fabric B
- One (1) 20½” x 17½” rectangle from Fabric C
- One (1) of Template 4 from Fabric D
- One (1) 20½” x 20½” square from Fabric E

CONSTRUCTION

Sew all rights sides together with ¼” seam allowance.

- Take Fabric C rectangle and place it on top of Fabric E 20½” x 2½” square.

- Take Fabric C rectangle and place it on top of Fabric E 20½” x 2½” square.

- Place Template 1, lining up to the top and securing it with steam a seam.
• Finish with Template 3 on the bottom, leaving about 1” distance from Fabric E.

• For the center of the pillow, we will be doing reverse applique, so apply free motion technique and quilt some parts of Fabric C and to reveal Fabric E, use a small scissors and cut as close as the stitch as possible.

CREATING THE BACK PILLOW

Sew all rights sides together with ¼” seam allowance. Press open.

Adding the zipper to the pillow cover

• With the 18” zipper open, place one edge right side down on the bottom edge of one side of the pillow cover. Make sure the zipper coil faces towards the inside of the pillow and the edge of the zipper tape is flush with the raw edge of the pillow cover. Pin in place.

• Begin sewing at one end of the zipper, back stitching as you begin.

• After stitching one side of the zipper, close the zipper and carefully line-up the other side of the pillow cover, matching raw edges. Pin the edge of the zipper to the other bottom edge of the pillow cover.

• Open the zipper again before sewing.

• After stitching, bring the pillow cover to your iron and press this seam well. Make sure the seams on each side of the zipper are pressed open.

• Flip the pillow cover right sides together, matching raw edges, and pin around the other 3 sides. Make sure to open the zipper before stitching.

• Trim the corner edges and flip your piece inside out.
