For this project we will be using two different methods. The 4 at the time HST and the not waste Flying Geese.

4 at a time HST Method:

- Start by placing one 4” square from fabric B and D right sides together.
- Mark a diagonal line across on the wrong side of fabric square.
- Sew all around the square ¼” away from the edge.
- Using your rotary blade, cut the square in quarters following the drawn diagonal lines.
- Press each HST and trim to a 2½” x 2½” Squares.

Not waste Flying Geese Method:

- Start by placing one 2⅞” square from fabric B on each opposite corner of a 5¼” x 5¼” square from fabric A.
- Draw a line diagonally.
- Sew at ¼” on each side of the line.
- Cut through the drawn line.

Twelve (12) 2½” x 2½” squares from Fabric A.
Two (2) 3½” x 12½” rectangles from Fabric A.
Two (2) 3½” x 18½” rectangles from Fabric A.
One (1) 5¼” x 5¼” squares from Fabric A.
One (1) 4” x 4” squares from Fabric B.
Four (4) 2⅞” x 2⅞” squares Fabric B.
Four (4) 2⅞” x 2⅞” squares Fabric C.
One (1) 5¼” x 5¼” squares from Fabric D.
One (1) 4” x 4” squares from Fabric D.
One (1) 4½” x 4½” square on point from Fabric E.
• Now place another 2⅞” square from fabric B and place it on the right bottom corner.
• Draw a diagonal line and sew at ¼” on each side of the line.
• Cut through the line, press open, and repeat the same step with the other piece. You will get four Flying Geese.
• Repeat this method with a 5¼” square from fabric D and four (4) 2⅞” squares from fabric C.

For fabric placement and attachment follow the diagram below.

- Take a 3½” x 12½” strip from Fabric A, and sew it to each side of the block.

- Take a 18½” x 3½” rectangles from Fabric A, and sew one to the top and the other one to the bottom C.
Follow the same directions for the other three blocks.
Congratulations & enjoy
