- Attach the strips in the order EBGDFHACFGH.
- Press open.
- Make two striped exterior panels.
- Set aside.

If you would like to quilt your laundry basket this is the time to add some batting to each panel and quilt them as desire separately.

- Sew the two panels facing right sides of fabric together.
- Leave the top open.

Two (2) 2½” x 22½” Strips from Fabrics A, B, C, D and H.
Two (2) 5½” x 22½” Strips from Fabric E.
Four (4) 2 1/2” x 22½” Strips from Fabrics F and G.
Two (2) 6½” x 22½” Strips from Fabric H.
Two (2) 22 1/2” x 29 1/2” rectangles from fabric I.
Now, bring the 22 1/2" x 29 1/2" rectangles from fabric 1 for the laundry basket lining.

- Iron heavy weight fusible to the rectangles.
- Sew the rectangles facing right sides of fabric together.
- Leave the top open.

Before moving on to the lining pieces, box corner the exterior panels.

- Use the seams on the inside to line up your corner, nestle your seams so they fit nicely and pin.
- Use a ruler to draw a line where you can measure 10 1/2" from corner to corner.
- Sew along this line.

- Trim the excess fabric leaving 1/4" seam allowance.
- Repeat for the other corner.
- Turn it right side out and set aside.

Repeat the box corner step for the lining as well.

- Bring the exterior panel and the lining.
- Insert the exterior panel inside the lining, place right sides of fabric together.
• Sew together with a ¼” seam allowance, leaving a 4” gap for turning inside out.

• Turn the basket inside out and hand stitch the 4” opening to close it.

• Top stitch if desire and fold about 2” to expose the lining.
