DIAGRAM 1
• Join the rows creating the Grid Square Patch.

• Fold the Grid Square Patch in half and cut the Cat Template on top in order to get the front and back pillow.

• Add batting to each Cat and quilt as desired.
• We picked straight lines at different lengths.

• Bring the cheeks and tail templates and using Steam-A-Seam iron the cheeks in place on top of the front pillow.

• Iron the tail in place on top of the back pillow.

• Top stitch the cheeks and tail to hold them in place.

• Draw the cat face referring to your template, use a fabric marker to draw on top of the pillow front.

• Use black embroidery thread to trace your drawing.

• Place the front and back side of the pillow right side of fabric facing each other and sew all the way around the cat with ¼” seam allowance.

• Leave an opening of 3” wide to be able to turn over the pillow.

• Hand stitch the pillow opening.
• Voila!
