**CONSTRUCTION**

- Sew all rights sides together with ¼" seam allowance. WOF means width of fabric.
- ½" seam allowances are included.
- For the center block, take one Hexie Template from fabric E, one (1) 1½" x WOF strip from fabrics C and F, one (1) ⅜" x WOF strip from fabrics H and F.
- Sew the ⅜" strip from fabric C on the top left hexie edge.
- Use your clear ruler and rotary cutter to trim the C strip, aligning the ruler edge with the Hexie straight up and horizontally.
- For the center block, take one Hexie Template from fabric E, one (1) 1½" x WOF strip from fabrics C and F, one (1) ⅜" x WOF strip from fabrics H and F.
- Sew the ⅜" strip from fabric C on the top left hexie edge.
- Keep trimming the excess strip ends.
- Now, lining the 1½" strip from fabrics F and H, sew the strip from on the top edge of the hexie.
- Six (6) Hexie Template from fabric E.
- One (1) 33" square from fabric E.
- One (1) ⅜" x WOF strip from fabric E.
- One (1) ⅜" x WOF strip from fabric F.
- Two (2) ⅜" x WOF strips from fabric F.
- Two (2) 1½" x WOF strips from fabric H.
- Three (3) ⅜" x WOF strips from fabric H.
- Construct three different log cabin combinations around the Hexie Template.
- Four (4) 2½" x WOF strips from fabrics A and G.
- One (1) 1½" x WOF strip from fabrics C and F.
- One (1) 1½" x WOF strip from fabric E.
- One (1) ⅜" x WOF strip from fabrics F and H.
• Keep adding the C and F strips on the remaining hexie edges going clockwise, alternating the fabric strips.

• Now bring the 2 ½" x WOF strips from fabrics H and F.

• Start sewing the 2 ½" strip from fabric F on the top left hexie edge and trim.

• Then, attach the 2 ½" strip from fabric H on the top edge of the hexie.

• Keep adding the F and H strips on the remaining hexie edges going clockwise, alternating the fabric strips until you are done with all the Hexie edges.

Hexie A Block

• For the A block, take one Hexie Template from fabric B, one (1) 1 ½" x WOF strip from fabrics B, D and H, one (1) 2 ½" x WOF strip from fabrics A, G and I.

• Start attaching the 1 ½" strips from fabrics B, D and H to the hexie template as shown in the diagram below.

• Then attach the 2 ½" strips from fabrics A, G and I to the hexie template as shown in the diagram below.

• Make a total of three A block combination in order to complete the top.

Hexie B Block

• For the B block, take one Hexie Template from fabric B, one (1) 1 ½" x WOF strip from fabrics B, D and H, one (1) 2 ½" x WOF strip from fabrics A, G and I.

• Start attaching the 1 ½" strips from fabrics B, D and H to the hexie template as shown in the diagram below.
TOP ASSEMBLY

Sew rights sides together:

- To sew your hexies together mark a dot at the ¼” line in each angle of the hexagon. This is easy to do if you trace the hexagon shape onto a piece of cardboard.
- Draw the seam allowances all the way around the cardboard, ¼” from the edge.
- Draw the lines from edge to edge so that they overlap at the angles, at the point where the lines overlap, use a pin or awl and puncture a small hole.
- Use this hole for marking the seam allowance dot on the wrongside of the fabric hexagon.
- Mark the dots on all your hexagons and arrange them as shown in the diagram below.
- Then attach the 2 ½” strips from fabrics A, G and I to the hexie template as shown in the diagram below.
- Make a total of three B block combination in order to complete the top.
- Sew three hexie columns together, to attach each hexie, place right sides together, being sure to align the straight of grain.
- Sew the seam, beginning and ending at the dot (backstitch to secure the stitching at each end).
- Do not sew past the dot in either direction.
- Each column of hexagons will be sewn together in this manner.
- Press open.
• Sew the columns together by laying them right sides together and aligning the bias edges.

• Stitch, beginning and ending ¼" from the edge as you did in the previous step.

• Rotate the hexi to align the next edge and sew together.

• You will sew each side with a separate seam because you must start and stop ¼" from the edges in order for the patches to lay flat.

• Add batting and quilt as desire.

• Then bring the 33" square from fabric E and use your table runner top to trace it on top of the E square for the backing.

• When you are done tracing it, cut it and sew all the way around backing and top right sides of fabric facing together, but leave a 3" opening to turn the piece right side over.

• Turn it over and handstitch the 3" opening.

• Top stitch around the table runner.

• Voila!

NOTE: While all possible care has been taken to ensure the accuracy of this pattern, we are not responsible for printing errors or the way in which individual work varies.

Please read instructions carefully before starting the construction of this quilt. If desired, wash and iron your fabrics before starting to cut.
