FABRICS DESIGNED BY AGF STUDIO

TRV-58120
EVERBLOOMING CAMELLIAS AGLOW

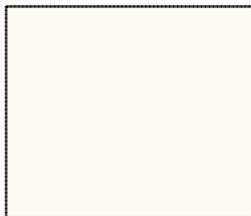

TRV-68124
CHERISHED TOKENS

TRV-581206
DANCING LEAVES TEAL

ADDITIONAL BLENDERS FOR THIS PROJECT

PE-408
WHITE LINEN

EVERGREEN

FINISHED SIZE | 20" x 60"

FABRIC REQUIREMENTS

Fabric A	TRV-58120	$\frac{5}{8}$ yd.
Fabric B	TRV-58124	$\frac{5}{8}$ yd.
Fabric C	TRV-58126	$\frac{7}{8}$ yd.
Fabric D	PE-408	$\frac{5}{8}$ yd.

BINDING FABRIC

Fabric **C** TRV-58126- (Included)

BACKING FABRIC

Fabric **B** TRV-58124- 1 $\frac{7}{8}$ (Suggested)

CUTTING DIRECTIONS

$\frac{1}{4}$ " seam allowances are included.
WOF means width of fabric.

- Eight (8) $7\frac{3}{8}$ " squares from fabric **A-D**
- Four (4) $30\frac{1}{2}$ " x $1\frac{1}{2}$ " strips from fabric **C**

CONSTRUCTION

Sew all rights sides together with $\frac{1}{4}$ " seam allowance.

Hourglass construction

- Take (1) $7\frac{3}{8}$ " square from fabrics **A, B, C** and **D** and cut them into four triangles.
- Sew two triangles together at a $\frac{1}{4}$ " seam allowance and then the other two triangles together.
- Then, join both pieces together, pin and sew at a $\frac{1}{4}$ ".
- Trim your block to $6\frac{1}{2}$ " x $6\frac{1}{2}$ ".
- From each $7\frac{3}{8}$ " squares you will have (4) triangle pieces, which will give you a total of (4) blocks 1.

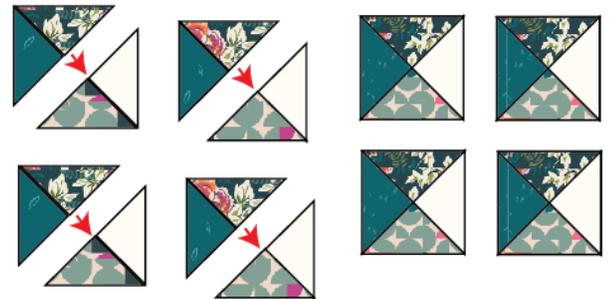

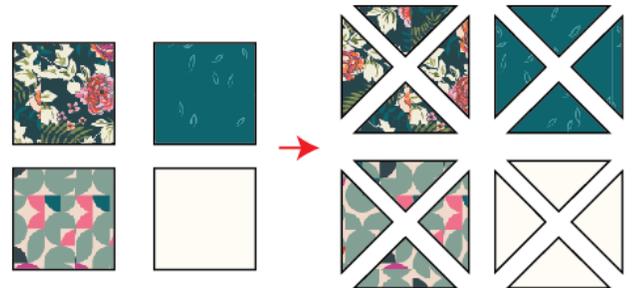

DIAGRAM 1

- Join (1) triangle piece from fabrics **A, B, C** and **D** following block 1 construction.
- You will create a total of 10 blocks 1.

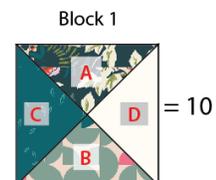

DIAGRAM 2

- Repeat the same hourglass construction in order to assemble block 2 and 3, following the diagram below.

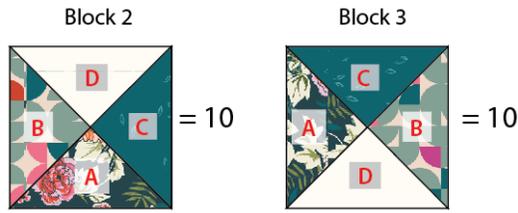

DIAGRAM 3

- Now, follow the diagram below for each block assembly.
- You will be rotating each block to position it according to the diagram.

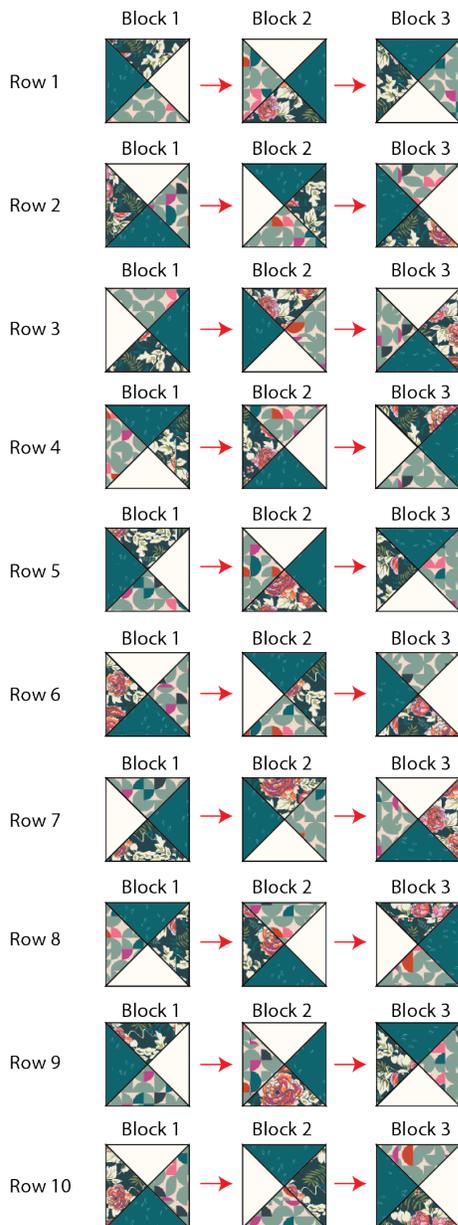

DIAGRAM 4

- Join rows 1-10.

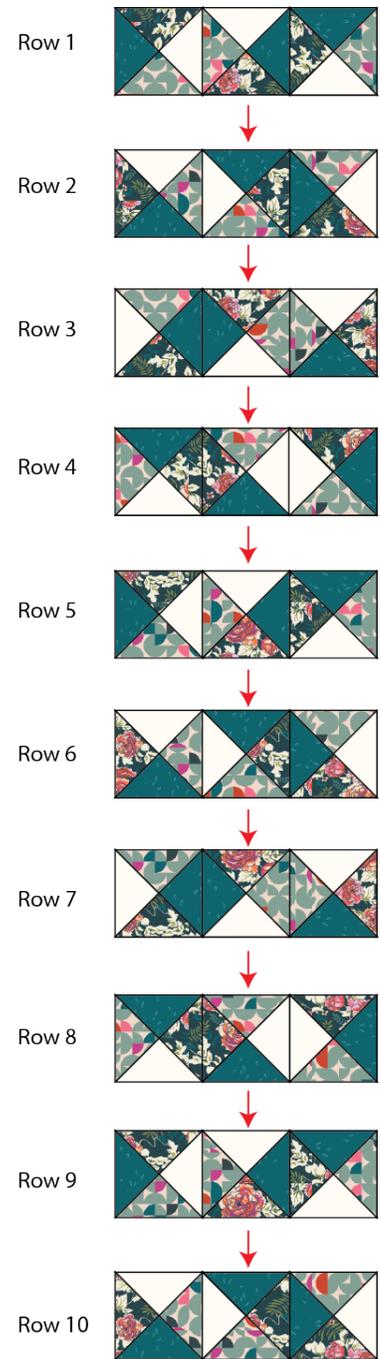

DIAGRAM 5

- Take (4) $30\frac{1}{2}$ " x $1\frac{1}{2}$ " strips from Fabric C.
- Join (2) strips to create one $60\frac{1}{2}$ " x $1\frac{1}{2}$ " strip.
- Repeat the same construction to have a total of two $60\frac{1}{2}$ " x $1\frac{1}{2}$ " strips.

QUILT ASSEMBLY

Sew rights sides together.

- Place BACKING FABRIC on a large surface wrong side up. Stretch it with masking tape against that surface.
- Place BATTING on top of backing fabric.
- Place TOP on top of the batting with right side facing up. Smooth away wrinkles using your hands.
- Pin all layers together and baste with basting thread, using long stitches. You can also use safety pins to join the layers.
- Machine or hand quilt starting at the center and working towards the corners. Remember that quilting motifs are a matter of personal preference. Have fun choosing yours!
- After you finished, trim excess of any fabric or batting, squaring the quilt to proceed to bind it.

BINDING

Sew rights sides together.

- Cut enough strips $1\frac{1}{2}$ " wide by the width of the fabric C to make a final strip 170" long. Start sewing the binding strip in the middle of one of the sides of the quilt, placing the strip right side down and leaving an approximated 5" tail. Sew with $\frac{1}{4}$ " seam allowance (using straight stitch), aligning the strip's raw edge with the quilt top's raw edge.
- Stop stitching $\frac{1}{4}$ " before the edge of the quilt (DIAGRAM B 1). Clip the threads. Remove the quilt from under the machine presser foot. Fold the strip in a motion of 45° and upward, pressing with your fingers (DIAGRAM B2). Hold this fold with your finger, bring the strip down in line with the next edge, making a horizontal fold that aligns with the top edge of the quilt (DIAGRAM B3). Start sewing at $\frac{1}{4}$ " of the border, stitching all the layers. Do the same in the four corners of the quilt.

$60\frac{1}{2}" \times 11\frac{1}{2}"$

= 2

DIAGRAM 6

- Take the table runner top and join the $60\frac{1}{2}" \times 11\frac{1}{2}"$ strips from fabric C on each side following the diagram below.

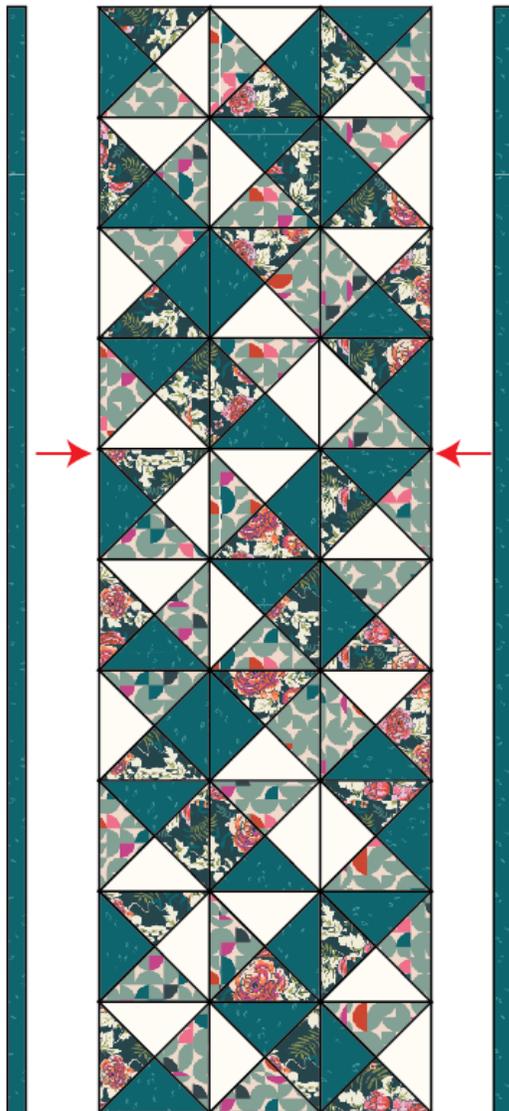

DIAGRAM 7
