BACKING FABRIC
DEN-T-3002- 1⅛yds. (suggested)
• Place TOP on top of the batting with right side facing up. Smooth away wrinkles using your hands.

• Pin all layers together and baste with basting thread, using long stitches. You can also use safety pins to join the layers.

• Machine or hand quilt starting at the center and working towards the corners. Remember that quilting motifs are a matter of personal preference. Have fun choosing yours!

• After you finished, trim excess of any fabric or batting.

• Place the BACKING fabric on top of the leaf placemat, right sides facing and stitch all around leaving at least 3’ to 4” of opening.

• Turn piece inside out and close the opening with machine or handstitch.
Congratulations & enjoy
