- One (1) 25" x 3½" strip.
- One (1) 16½" square.

**Fabric I.**
- Two (2) 21" x 1½" strips.

**Fabric J.**
- One (1) 4" x WOF.

**Construction**

Sew all rights sides together with ¼"seam allowance.

For this project we will work with four different strip sets.

**Strip Set 1 (SS1).**
- Sew one (1) 21" x 1½" strip from fabric F, D, J, and E.
- The first strip is sewn 1½" in from the left edge of the second strip, the second strip is sewn 1½" in from the left edge of the third strip, and the forth strip is sewn 1½" in from the left edge of the third strip.
- Using the 45 degree guide from your quilting ruler cut eight (8) 1½" wide diagonal strips.
- For fabric placement and attachment follow diagram 1.
Strip Set 2 (SS2).
- Following the same steps as in strip set 1, sew one (1) 21” x 1½” strip from fabric C, G, I, and J.
- Cut eight (8) 1½” wide diagonal strips.
- For fabric placement and attachment follow diagram 2.

Strip Set 3 (SS3).
- Following the same steps as in strip set 1, sew one (1) 21” x 1½” strip from fabric B, H, G, and D.
- Cut eight (8) 1½” wide diagonal strips.
- For fabric placement and attachment follow diagram 3.

Strip Set 4 (SS4).
- Following the same steps as in strip set 1, sew one (1) 21” x 1½” strip from fabric A, B, C, and F.
- Cut eight (8) 1½” wide diagonal strips.
- For fabric placement and attachment follow diagram 4.
• Take a 6½” square from fabric 1 and cut it diagonally. You will end up with two triangles per square.

• Repeat the same step with the remaining 6½” squares. You should have sixteen (16) triangles in total.

**Diagram 5**

---

**Block 1:**

• Sew SS1, SS2, SS3 and SS4.

• Repeat this step 7 more times.

• You should have a total of eight blocks 1.

**Diagram 6**

---

**Block 2:**

• Sew two triangles from fabric 1 to block 1.

• Note the orientation of block 1 before sewing the triangles.

• Repeat this step 7 more times. You should have a total of eight block 2.

• See diagram below for reference.

**Diagram 7**

---

**Block 3:**

• Sew two blocks 2 together. Repeat this step three more times.

• You should have a total of four blocks 3.

**Diagram 8**
• Arrange blocks 3 into two rows of two blocks each.

• Sew blocks in row 1, sew rows in row 2, then sew rows together.

• Trim excess fabric, see diagram below.

• Sew one (1) 20" x 5½" strip from fabric I to the left side of the sewn unit.

• Sew one (1) 25" x 3½" strip from fabric I to the top of the sewn unit.

• Trim excess fabric.

• Create a 16½" square cardboard template, place it on top of the sewn unit.

• In order to get the offset effect tilt the template slightly towards the left, and cut the fabric following the outlines of the 16½" square template.
• Take one (1) square from fabric I and sew it with lone star block by the sides and bottom. Repeat the same step with two (2) 16½" square from fabric E (That will be the lining)
• See diagram below.

![Diagram 14](artgalleryfabrics.com)

• Insert the main bag inside the lining body, so the right sides are together.
• Match all the seamlines and pin.
• See diagram below for reference.

![Diagram 15](artgalleryfabrics.com)

• Beginning at a side seam, stitch a ¼" seam almost all the way around the tote, stopping 4" before the starting point. That will give you ample room for turning.
• Pull both fabrics through the 4" gap, turning the tote bag right-side out.
• Top-stitch around the tote bag’s entire opening to finish edges.

![Diagram 16](artgalleryfabrics.com)

Straps,
• Use 4" x WOF fabric strip from fabric K.
• Gate fold the strip and then fold in half.
• Trim around 21” for each strap.
• Press and edge stitch both sides.

![Diagram 17](artgalleryfabrics.com)
• Stitch handles ½" facing the right side of the bag.

• Secure the straps by stitching a rectangle on each strap.
