CONSTRUCTION

Sew all rights sides together with ¼"seam allowance.

- Take the Body #1 template from fabric **A** that's facing right and the Body #2 template from fabric **B**.
- Use Steam-A-Seam to iron the Body #2 template from fabric **B** on top of the Body #1 template and the ½" circle from fabric **C**.
- Stitch around to hold the fabric in place.

DIAGRAM 1

- Use the paper template and a fabric marker to trace your guide lines on the fabric.
- Draw the eye using your sewing machine or handstitching.
- Set aside.

DIAGRAM 2

- Take the Tail templates from fabric **A**.
- Place the templates together facing right sides together and sew leaving an opening as shown in the diagram below.
- Take two Tail pieces from fabric **D** for the pillow case fabric and repeat the same procedure.

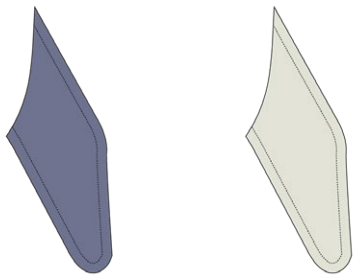

DIAGRAM 3

- Turn the fabric **A** tail inside out and press, then insert the case in the fabric **A** Tail template and use some pillow fill.
- Set aside.

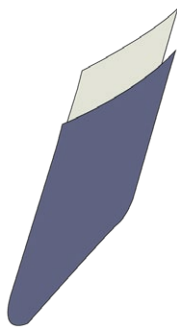

DIAGRAM 4

- Repeat the previous steps made for the Tail with the arm, and the right & left legs.

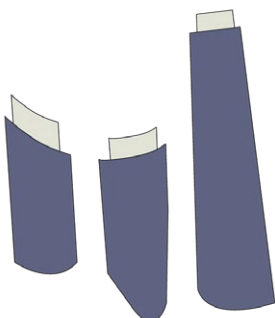

DIAGRAM 5

- To construct the pillow case take two (2) Body #1 templates from fabric **D** fabric, sew the pieces together facing right sides of fabrics together.
- Use the paper template stitches to mark where you want to sew and where the openings to insert the legs and the tail should go.
- Sew the pieces together.
- Turn it inside out through the tail opening, which is the biggest one.
- Press.

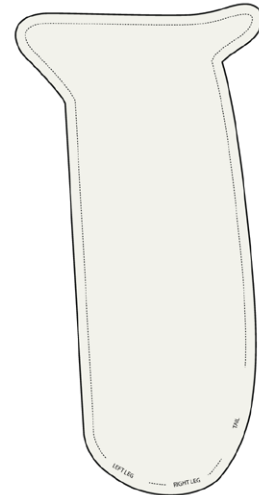

DIAGRAM 6

- Take the two (2) Body #1 templates from fabric **A** and the arm.
- Stitch the arm on place on top of the front pillow template.
- Then, sew the front and back pieces together except where the legs, and the tail go as you did previously for the pillow case.
- Turn it right side out and press.

DIAGRAM 7

- Insert the fabric **D** pillow case through the tail opening, make sure that the pillow case matches the exterior pillow.
- When the pillows are aligned start filling the pillow as desired.
