CUTTING DIRECTIONS

*¼" seam allowances are included.
WOF means width of fabric.*

- One (1) 12½" square from fabrics **A** and **B**.

CONSTRUCTION

Sew all rights sides together with ¼" seam allowance.

- Place one (1) 12½" square from fabric **B** on top of one (1) 12½" square from fabric **A**, both fabrics facings up and add a piece of batting under those two (2) layers.

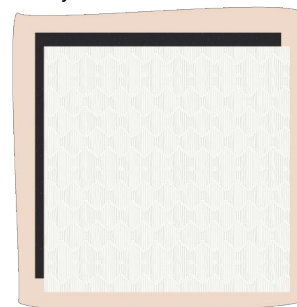

DIAGRAM 1

- Now place template 1 on top and secure all layers with pins.

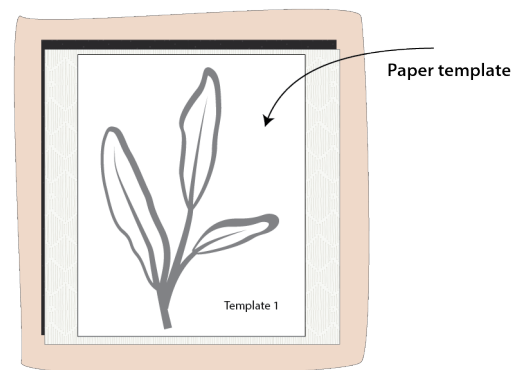

DIAGRAM 2

- Sew ⅛" away from the design outline. You will have to carefully maneuver your sewing machine, pivot the fabric in places like corners with the needle still in the fabric.

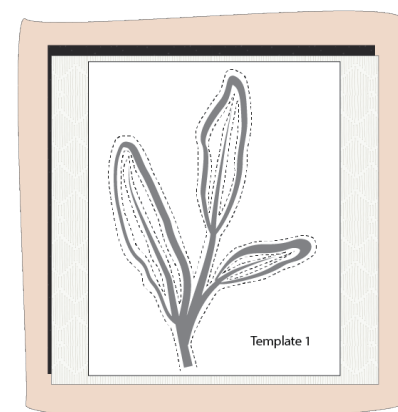

DIAGRAM 3

- Now start cutting fabric **B** inside the stitching line. This will reveal fabric **A** underneath.

DIAGRAM 4

- Trim the excess batting and you can frame your reverse applique block on a 14" x 14" wooden frame. Enjoy.
