ADDITIONAL MATERIALS
Steam-a- Seam (Suggested)

CUTTING DIRECTIONS

¼" seam allowances are included.
WOF means width of the fabric.

- Two (2) template 1 from fabric **A**.
- One (1) template 2 from fabric **B**.
- One (1) template 3 from fabric **C**.

CONSTRUCTION

Sew all rights sides together with ¼" seam allowance.

Placemat 1:

- Start by tracing two (2) pieces of steam a seam, one (1) using template 2 and the other one using template 3, and cut both pieces.
- Peel one side of the steam a seam piece that you cut with template 3 and place it on the wrong side of template 3 from fabric **C**.
- Find the center of template 2 fabric **B** and make a mark with a erasable fabric pen.
- Peel the other side of the steam a seam placed on template 3 from fabric **C** and guiding yourself from the mark, place it on the center of fabric **B**. Iron so those two pieces are glued.

DIAGRAM 1

- Repeat the previous step using the other piece of steam a seam from template 2 and place it on the wrong side of template 2 from fabric **B**.
- Now place it on the center of template 1 from fabric **A**. See diagram below for reference.

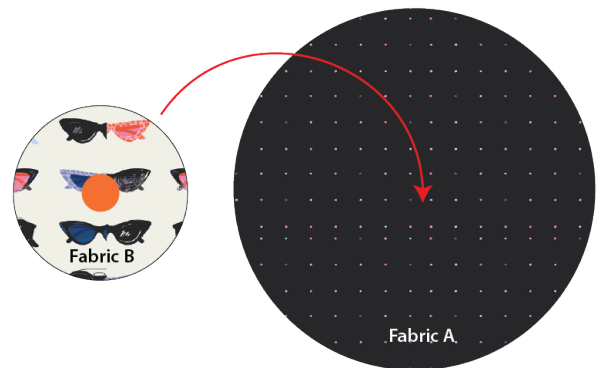

DIAGRAM 2

- Place a piece of batting under and quilt as desired. Trim excess batting

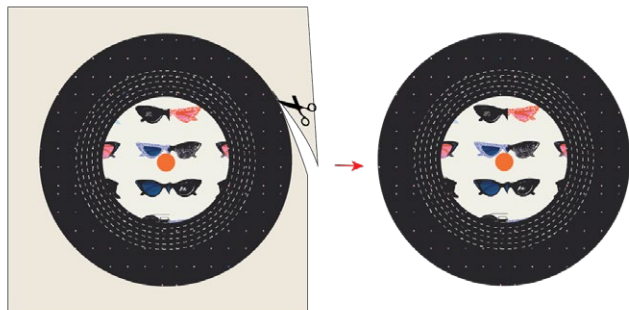

DIAGRAM 3

- Take the other template 1 from fabric A and place it right sides together with the previously made piece.
- Sew all around the circular shape and leave a small opening.

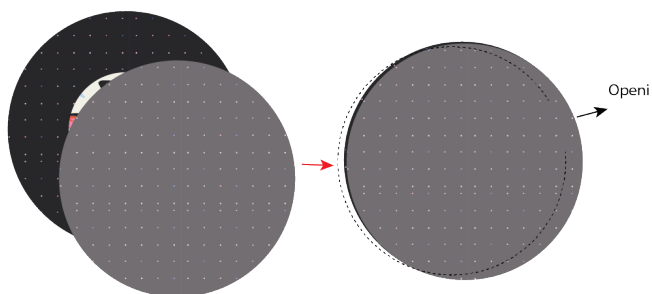

DIAGRAM 4

- Turn the piece inside out and close the opening by making and edge stitch. Iron. Quilt couple of more rows. Enjoy.

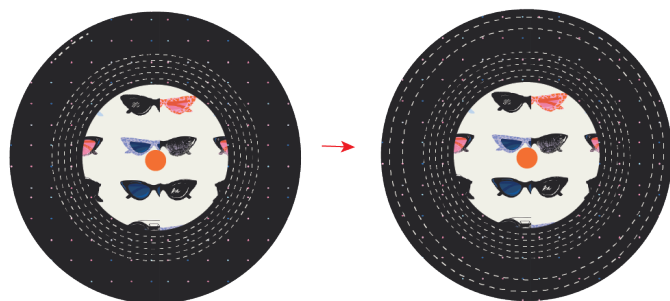

DIAGRAM 5

Placemat 2:

- Follow the same instructions as Placemat 1 using the fabric requirements of Placemat 2. Enjoy.
