to create a crease. This will be your cutting guide.

• When sewing the 5" squares, make sure to align the vertex of the pinked edges to the straight edge from the following 5" square to be sewn, sew them using 1/4" seam allowance.

 ${\rm DIAGRAM}~2$

• Arrange the following 5" squares into 7 (seven) rows of 12 units each...

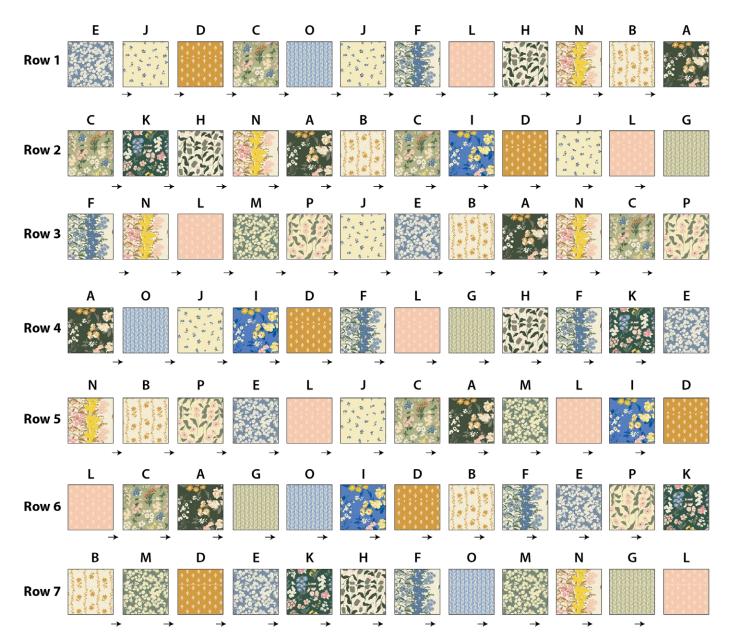

DIAGRAM 3

- Now sew the rows from 1 7 together.
- Make 2 (two) of these panels, 1 (one) for the top and 1 (one) for the bottom.

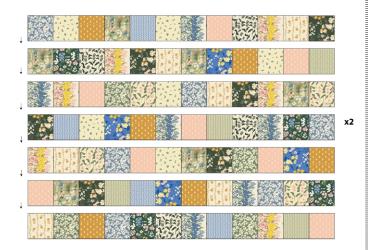

DIAGRAM 4

- Now that you have your panels complete, sew them around leaving a space to stuff the pillow.
- Once its stuffed, close it by hand or edge stitch.

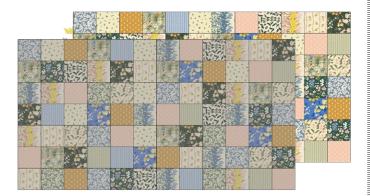

DIAGRAM 5

• Finally every 2 (two) or 3 (three) squares handstitch a knot through all layers to create a cushion effect.

Add tassels at the 4 corners.
