PE-413  
CAVIAR

**Fabric L**  
PE-472  
CINNAMON

FINISHED SIZE | 12" x 12½"

## FABRIC REQUIREMENTS

Fabric <b>A</b>	DHS-1082	FQ.
Fabric <b>B</b>	DHS-2082	FQ.
Fabric <b>C</b>	DEN-L-4000	¾"yd.
Fabric <b>D</b>	DEN-OYD-6004	Fat 8.
Fabric <b>E</b>	PE-471	Fat 8.
Fabric <b>F</b>	DHS-2081	Fat 8.
Fabric <b>G</b>	DHS-1080	Fat 8.
Fabric <b>H</b>	DHS-1085	Fat 8.
Fabric <b>I</b>	DHS-1086	Fat 8.
Fabric <b>J</b>	DHS-2084	Fat 8.
Fabric <b>K</b>	PE-413	Fat 8.
Fabric <b>L</b>	PE-472	Fat 8.

## CUTTING DIRECTIONS

Please ensure that all fabrics are ironed thoroughly before cutting them. ¼" seam allowances are included. WOF means width of the fabric.

### Fabric A

- Cut one (1) template 1.
- Cut two (2) 6½" x 12½" rectangles.

### Fabric B

- Cut two (2) template 1.

### Fabric C

- Cut one (1) 12½" x 24½" rectangle.
- Cut Four (4) template 2.

### Fabric D

- Cut one (1) template 1.
- Cut one (1) 6½" x 12½" rectangle.

### Fabric E

- Cut one (1) 6½" x 12½" rectangle.

## CONSTRUCTION

Sew all rights sides together with ¼" seam allowance.

- Take 2 (two) 6½" x 12½" rectangles from fabric **A**, 1 (one) 6½" x 12½" rectangle from fabric **D** and **E**. Attach them together creating a 12½" x 24½" panel.
- Refer to the diagram below for correct fabric placement and attachment.

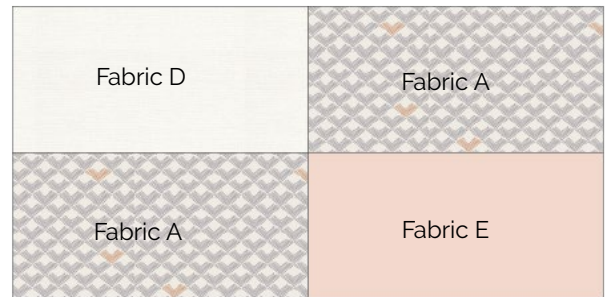

DIAGRAM 1

- Add a layer of batting under the interior panel and if you want to create a quilt design to the interior of your doll house, now is the best time to do it, Be playful!
- Use template 1 from fabrics **A** and **D** as the the ceiling. If you want to quilt it place a piece of batting under and get creative.
- Attach the ceiling to the interior panel. Refer to the diagram below for correct fabric placement.

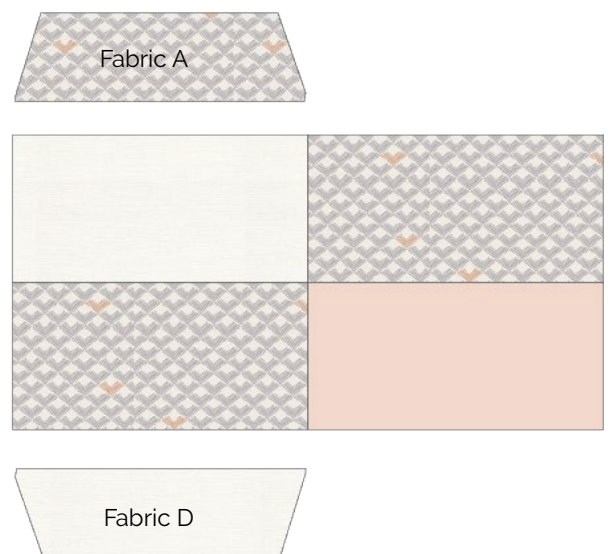

DIAGRAM 2

# CREATING THE INDOOR PANEL

- Now the fun should start! You will see in the pages below the pieces corresponding to each room.
- Use steam a seam or double sided fusible interfacing to attach it to each piece of the house. It will be easier for you to place them.
- Top stitch all of the pieces to hold them in place.
- Feel free to use the color of fabric you want for each figure or use the image below as an example for fabric placement.
- Have fun attaching the furniture. For example, we used velcro on the pillows so there is a bit of movement in the house. We created 3D curtains by gathering fabric. We even created a small doll for the house. Just use your imagination to make this project fun and really cute!

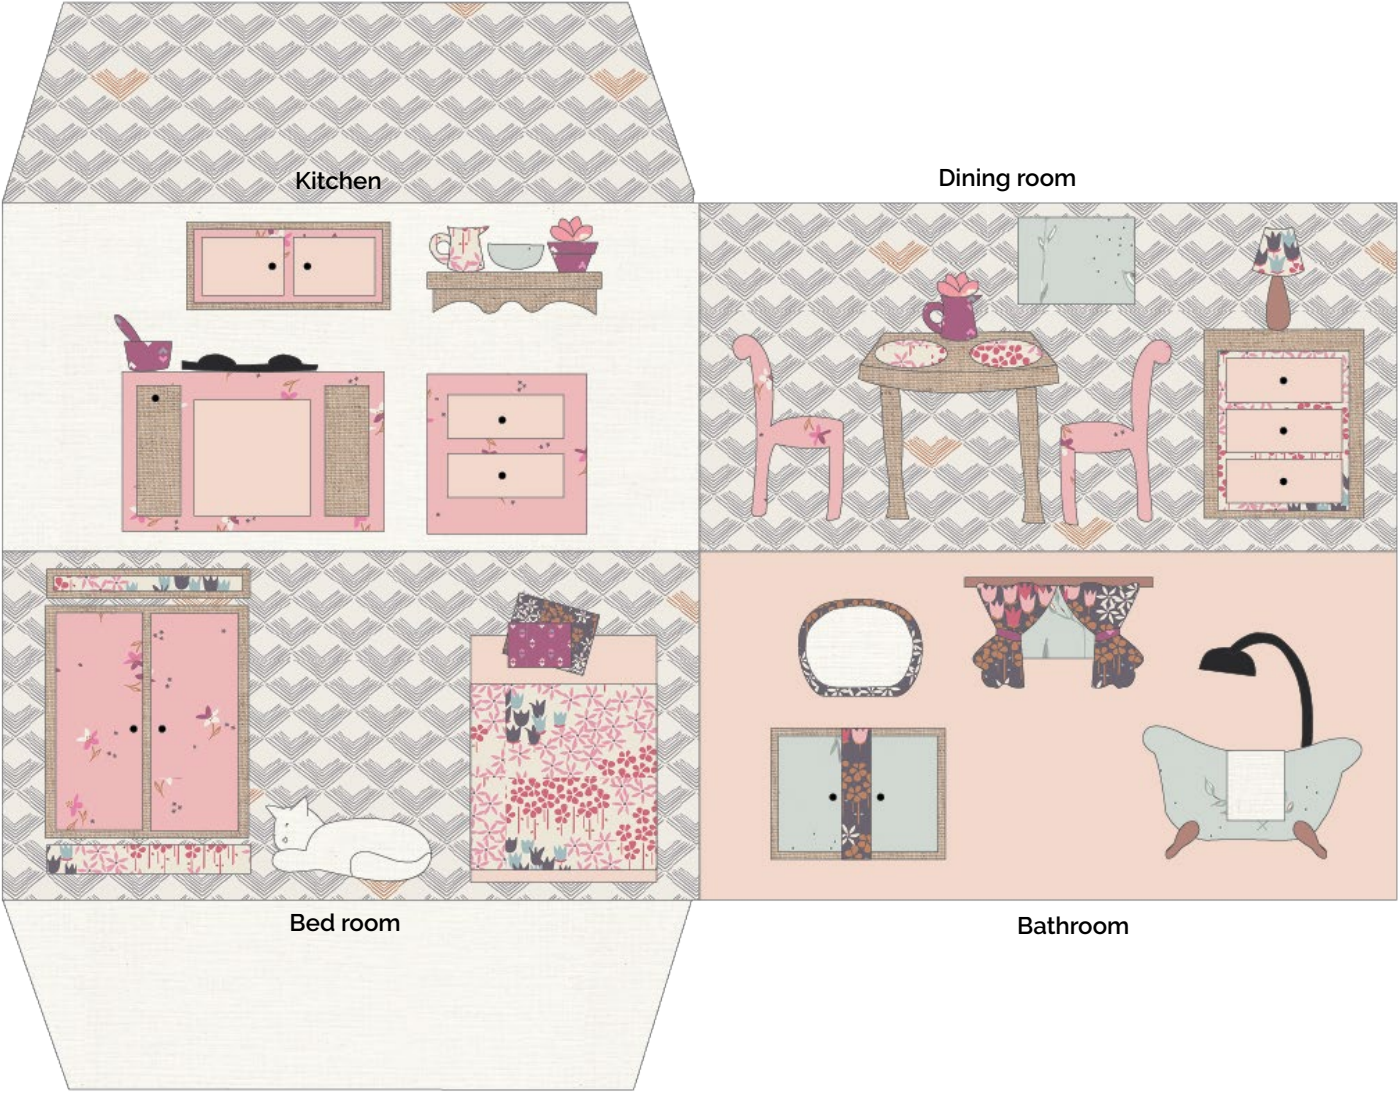

DIAGRAM 3

## CREATING THE OUTDOOR PANEL

*Sew rights sides together.*

- Once the inside of the house is ready, start with fabric **C** 12½" x 24½" rectangle and both template 1 from fabric **B**.
- Attach each template 1 from fabric **B** to both sides of the 12½" x 24½" rectangle from fabric **C**. Refer to diagram to attach them properly.
- Use a medium weight fusible interfacing in one side of the handles to give stability. Place 2 (two) Template 2 RST and sew along the curves, leaving the short edges open and turn them inside out.
- Center the short edges of the handle on template 1 from fabric **B** and sew them. See diagram below for fabric placement.
- Quilt as desired.

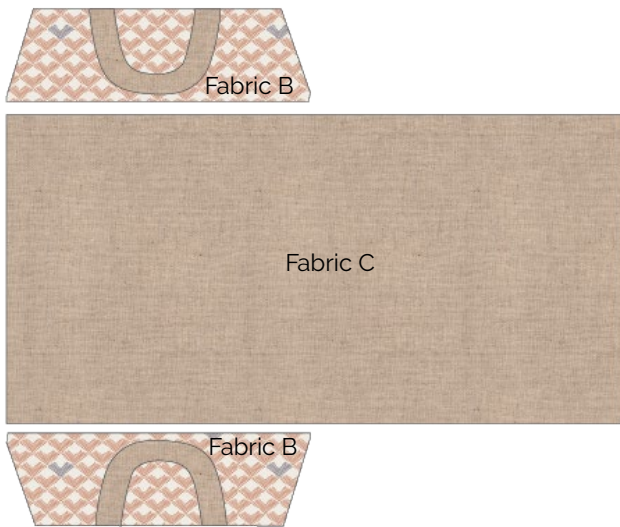

DIAGRAM 4

- Use the templates provided below to fuzzy cut the outer parts of the house (door, windows, etc). Use steam a seam or double side fusible interfacing and top stitch them to hold them in place.

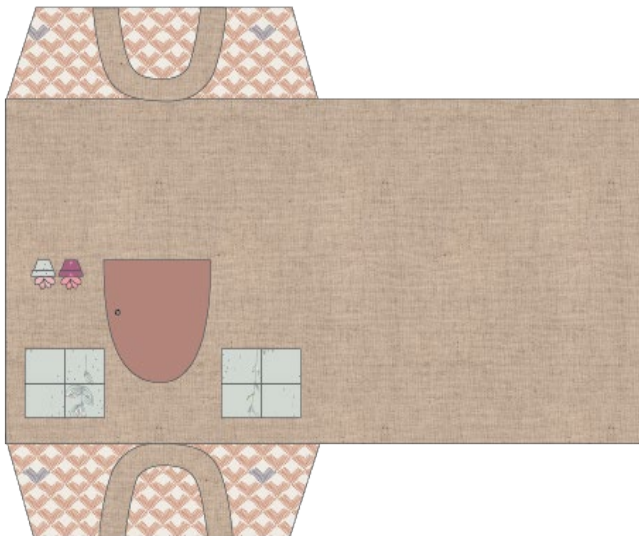

DIAGRAM 5

## FINAL ASSEMBLY

*Sew rights sides together.*

- Place both inner and outer part of the house right sides together and stitch all the way around at ¼" seam allowance.
- Leave a 5" opening and flip inside out.
- You should be done! Let the fun start!
